Galleries at Liste Art Fair Basel 2022

Basel, 23 March 2022

We are very pleased to announce the galleries participating in Liste Art Fair Basel 2022.

This year, 82 galleries from 37 countries will present the latest voices in contemporary art in Hall 1.1 at Messe Basel from 13 – 19 June. With works by over 100 artists and 60 solo and 22 group presentations, there will be much to discover.

The Liste Committee has selected 18 galleries to exhibit at Liste Art Fair Basel for the first time, including rhizome from Algiers, CLC Gallery Venture from Beijing, Hot Wheels from Athens, foro.space from Bogotá, Peana from Monterrey/Mexico City, Femtensesse from Oslo, Harlesden High Street from London and Bel Ami from Los Angeles.

Liste would also like to give a special welcome to two Ukrainian galleries this year: The Naked Room and Voloshyn. In a strong and courageous sign of solidarity, our Russian galleries Fragment and Osnova decided to give their stands to their Ukrainian colleagues and to forgo their own participation this year. Additionally, some of our Eastern European galleries will use their presence at the fair to give Ukrainian art a platform by expanding their presentations with Ukrainian artists. The Naked Room and Voloshyn's invitations to participate and the expanded presentation of Ukrainian artists generously supported by Friends of Liste, the Eckenstein-Geigy Foundation and the Stiftung zur Förderung aktueller Kunst Basel.

The complete list of galleries participating in Liste Art Fair Basel 2022 can be found at the end of the media release.

Liste Showtime, the digital edition of the fair, will run from 13 – 26 June 2022. With media-rich presentations, the galleries will not only offer works for sale but also provide deeper insights into the practices of their artists.
