LISTE – Art Fair Basel, June 11 -17, 2018 Special guest: Kaskadenkondensator presents PANCH

Performance, production and product will be addressed with the invitation to PANCH, the young performance art network Switzerland, and with Artina & Friends. Performance can be experienced, activated, invited and purchased, and we are happy to reflect the performance density in Switzerland.

PANCH is an interest group and association for performance artist, connects the performance landscape, invites you to take up burning issues and also goes into the performative examination of performance products at the fair.
