Liste Art Fair Basel announces exhibitors for 2023

Liste is delighted to announce the participating galleries of Liste Art Fair Basel 2023. This year, 88 galleries from 35 countries will welcome visitors from 12–18 June in Hall 1.1 at Messe Basel. With artworks by over 100 artists, 66 solo and 18 group presentations, and two joint stands, the galleries will present the latest voices in contemporary art.

“For the past few years, artists seemed to have taken inward-looking gazes as their starting points, but this year we’re noticing a reversal to outward-facing gazes,” says Joanna Kamm, director of Liste. “With immersive installations, time-based media, AI and computer-generated images, as well as strong positions in painting and photography, they highlight how differently the world is seen when experienced from different perspectives, under different conditions and in different places. We are very excited to see the works by this sharp-eyed generation of artists at Liste Art Fair Basel 2023.”

The full list of this year’s exhibitors can be found at the end the media release. Below you will also find additional information about the participating galleries, the digital edition of the fair, our support circle Friends of Liste, and our new initiative and call to action to make Liste as sustainable as possible.

Information about the participating galleries

One of Liste’s special concerns is to give new galleries the opportunity to present their programmes to our international audience every year. This year, 20 galleries are exhibiting for the first time at Liste Art Fair Basel, including Parc Offsite, Eli Kerr from Montreal, Petrine from Paris, E.A. Shared Space from Tbilisi, Schiefe Zähne from Berlin, Blindspot and PHD Group from Hong Kong, wanda from Warsaw, Blue Velvet Projects from Zurich, Afriart Gallery from Kampala, Ginny on Frederick from London, Margot Samel and Theta from New York, and Regards from Chicago.

Equally, Liste looks forward to reuniting with 68 galleries that have exhibited in previous year(s), especially Nova from Bangkok and ROH Projects from Jakarta, who will return after pandemic-related hiatuses. We would also like to specifically mention the return of two galleries from Kyiv, The Naked Room and Voloshyn, as well as the Ukrainian collective Understructures (presented this year by the gallery wanda), all of whom also exhibited last year at Liste as part of our solidarity support.

Liste Showtime Online

Liste Showtime, the digital edition of the fair, launches this year with a VIP/press preview from 7–11 June and runs until 25 June. With media-rich presentations, our galleries not only offer works for sale on the platform but also provide deeper insights into the practices of one artist who they are presenting at the fair. You will receive an access code for Liste Showtime shortly before the preview starts.

Friends of Liste

This year, Friends of Liste is financially supporting 12 galleries with particularly elaborate presentations as well as the Ukrainian exhibitors. The following galleries have been selected for this support: Gianni Manhattan with Barbara Kapusta, Parc Offsite, Eli Kerr with Simon Belleau, Gallery Vacancy with Chen Ting-Jung, Tabula Rasa with Tant Yunshu Zhong, Petrine with Lennard Giller, E.A. Shared Space with Mariana Chkonia and Sophie Jung, PHD Group with Sasaoka Yuriko, Clima with Valerio Nicolai, Crisis with Gala Berger, wanda with Hanna Antonsson, Filip Rybkowski und Understructures (Ukraine), The Ryder with Patricia Domínguez, The Naked Room (Ukraine) with Anna Zvyagintseva, Voloshyn (Ukraine) with Mykola Ridnyi and Daniil Galkin, Laurel Gitlen with Katz Tepper and Theta with Elizabeth Englander. More information on Friends of Liste can be found [here](#).

Sustainability

As a member of the Gallery Climate Coalition, we are committed to making the fair as sustainable as possible. More information on our efforts can be found [here](#). Additionally, you can find information on how to reduce your own footprint with climate-friendly travel [here](#).

Lastly, Liste would like to thank all those who support the galleries, the artists and us with their commitments, especially our long-standing main partner, E. Gutzwiller & Cie, Banquiers. Their commitment has made it possible for Liste to bring together the outstanding galleries of the younger generation from all over the world in Basel for 27 years. Furthermore, the Stiftung Liste Basel provides the best possible conditions for presentations at Liste Art Fair Basel with production cost subsidies for artists. And our special thanks go to the Eckenstein-Geigy Foundation, which supports our efforts towards becoming more sustainable with its funding.

Notes for editors

About Liste

Since 2021, Liste has consisted of three formats: Liste Art Fair Basel, Liste Showtime Online and Liste Expedition Online.

Founded in 1996, Liste Art Fair Basel is the international fair for discoveries in contemporary art. Every year in Basel, a younger generation of galleries shows artists who are outstanding representatives of the latest developments and trends in contemporary art. Many of today's most significant galleries for contemporary art laid their foundations at Liste.

Liste Showtime Online, the fair's digital format, was launched in 2020 and offers the galleries participating in Liste Art Fair Basel the opportunity to expand their presentations in the digital space.

Liste Expedition Online was launched in December 2021 as a non-commercial research forum. The platform features a continuously growing artist index with the world's most important new positions in contemporary art as well as special projects carried out in collaboration with artists and magazines. Liste Expedition is permanently available throughout the year.

Main partner

E. Gutzwiller & Cie, Banquiers, Basel have been Liste's main partner for 27 years. With their generous commitment, they make it possible for outstanding galleries of the younger generation from all over the world to gather in Basel.
