Introduction

Liste Art Fair Basel is a fair for both new and more established galleries dedicated to presenting new positions in contemporary art. Fees for participating in the fair are co-financed by Liste's main partner, the E. Gutzwiller & Cie. Banquiers bank in Basel. Liste uses a graduated pricing scale for exhibitor stands in order to offer galleries participating for the first time a fee that is as low as possible.

General Application Criteria

- Galleries should:
- have a high-quality artist programme.
 - represent mainly young and emerging artists.
 - propose a solo or curated group presentation with a focus on new positions in contemporary art. (Please note that presentations with one to three artists are preferred; for joint stands, each gallery can exhibit only one artist.)
 - only apply with artists who are represented by the gallery.

Joint Stands

- A maximum of two galleries can apply for a joint stand.
- One artist can be exhibited per gallery.
- Both galleries must apply individually.

Application Documents to Be Submitted

- Please submit the following application documents in English:
- Completed application form
 - List of exhibitions at the gallery and, if applicable, participation in fairs in the last three years
 - Presentation of the concept for the fair stand, including a sketch of the stand and short biographies and images of works by proposed artists. Please note, the stand sketch is mandatory.
 - Proof of payment for the application fee of CHF 280

Please complete the application documents as concisely and informatively as possible.

General Guidelines

- Galleries can apply with two project proposals (solo and/or group and/or joint). The application fee of CHF 280 must be paid only once, even if a gallery submits two proposals.
- When applying for a joint stand, both galleries must submit individual applications and each must pay the application fee.
- Presenting one artist on the digital platform Liste Showtime Online is binding for all galleries participating in the fair. It must be indicated on the application form which artist from the fair presentation will be shown on Liste Showtime.
- In the case of incomplete documents, missing images, failure to pay the application fee or any combination thereof, the Liste committee reserves the right to dismiss the application.

Application for Friends of Liste Support

Together with the application for the fair, galleries can also apply for support from Friends of Liste. The Friends of Liste circle supports exceptional and highly involved stand concepts, such as comprehensive installations, new media works and performances, by offering a stand price reduction of CHF 2,000. The Liste committee selects the projects together with the Board of Friends of Liste. The application for support from Friends of Liste is included in the general application form for Liste Art Fair Basel 2023.

Application for Production Support

Once galleries have been selected to participate in the fair, they can apply for production support if their artists are producing new works for Liste Art Fair Basel 2023. This support is intended to ensure that the artists and their work can be presented in the best possible way. The application documents for this support will be available at the end of February 2023.

Deadline

Please submit all application documents for Liste Art Fair Basel 2023 no later than 13 December 2022 via the appropriate web form.

Evaluation and Selection Criteria

- Quality of the gallery's artist programme
- Quality of the gallery's stand concept (presentations with one to three artists are preferred; for joint stands, each gallery can exhibit only one artist)
- Gallery's focus on new artistic positions
- Gallery's additional activities and mediation work
