Galleries and Artists Liste Art Fair Basel 2021

Basel, 10 June 2021

We are very pleased to be able to welcome visitors as well as our galleries and their artists to a physical fair again this year. Today we are announcing the galleries participating in Liste Art Fair Basel 2021 and information on our digital show, Liste Showtime Online, will be sent out soon.

From 20 – 26 September 2021, 84 galleries from 35 countries will present the latest voices in contemporary art at Liste's new location for this year's edition of the fair, Hall 1.1 at Messe Basel. With 111 artists being presented, 50 solo and 20 group shows, and 20 first-time exhibitors, there will be much to discover. New this year are 7 joint stands, each featuring two galleries exhibiting together, reflecting the desire for collaboration and solidarity that became so important during the pandemic.

The complete lists of galleries and artists can be found at the end of the media release.

Architecture by OFFICE Kersten Geers David Van Severen i.c.w. Richard Venlet

Community has been an essential characteristic of Liste since its founding; many galleries and artists were and are at the beginning of their careers when they participate in Liste Art Fair Basel, where they make new contacts and friendships with collectors, curators and colleagues who often accompany them on their paths forward. Our architects, OFFICE Kersten Geers David Van Severen i.c.w. Richard Venlet, adopted this characteristic and have created an interconnected circular format for the fair with sections that open up to various social spaces. One such space is the "Sculpture Piazza", which will host 12 large-format sculptures and will become a place of discovery, of encountering and of hanging out – just like a public square.

contemporary art. Many of today's most important gallery owners for contemporary art have laid a central foundation for their current success at Liste.

Liste Showtime Online, the digital edition of Liste, which was launched for the first time in 2020, expanded its platform in 2021 to include galleries and project spaces that cannot participate in the physical fair. At the same time, it offers Liste Art Fair Basel galleries the opportunity to expand their presentations in the digital space.

In October 2021, the new online format Liste Expedition Online will be launched as a non-commercial research forum with a continuously growing artist index of the world's most important new positions in contemporary art, permanently available throughout the year. More information about Liste Expedition Online can be found [here](#).

Main partner

For 25 years, E. Gutzwiller & Cie, Banquiers, Basel have been the main partners of Liste. With their generous commitment, they make it possible for outstanding galleries of the younger generation from all over the world to exhibit in Basel.
