Liste Art Fair Basel announces galleries for 2024

Liste is delighted to announce the participating galleries of Liste Art Fair Basel 2024. This year, 91 galleries from 35 countries will welcome visitors from 10–16 June in Hall 1.1 at Messe Basel. In 65 solo and 16 group presentations, along with five joint booths, more than 100 of the latest voices in contemporary art will be showcased.

The galleries' planned presentations make clear that in the current art landscape there is a remarkable tendency to explore the complex relationship between humans and the environment. This multi-layered approach reflects a deep awareness of the complexity of the modern world and the urgency of ecological and social issues. Another key theme is a reflection on time, memory and transience. Visitors at Liste 2024 will see how artists use their works to explore the ephemeral nature of human experience, the importance of memory and the inevitable confrontation with mortality and loss.

Information about the participating galleries

It is part of Liste's mission to support young, promising galleries at an early stage. When galleries participate in Liste, we assist them in connecting with our high-calibre professional audience, facilitating numerous new contacts in the international art world.

Of the 91 galleries showing this year, 23 are exhibiting at Liste Art Fair Basel for the first time, including Coullisse from Stockholm; Cylinder and P21 from Seoul; Gauli Zitter from Brussels; Longtermhandstand from Budapest; murmurs from Los Angeles; Rele from Lagos; Silke Lindner from New York; sissi club from Marseille; Yutaka Kikutake from Tokyo; and a. Squire, Brunette Coleman and Rose Easton, all from London.

We are equally excited to reunite with the 69 galleries that have exhibited at Liste Art Fair Basel in recent years and that will present new and current positions this year.

Partners and support

Liste extends its gratitude to all those who, through their dedication, support the galleries, the artists, and us, especially our main partner E. Gutzwiller & Cie, Banquiers. Their generous intellectual and financial support has made it possible for 28 years to present outstanding younger-generation galleries from around the world in Basel. The Stiftung Liste Basel also facilitates the realisation of new works by artists with a production cost subsidy for presentations at Liste Art Fair Basel.

We also give a special thanks to our supporters from Friends of Liste as well as our long-standing partners BWT, Carhartt WIP, KBH.G, Soeder, Steudler Press and Vitra.

Founded in 1996, Liste Art Fair Basel is the international fair for discoveries in contemporary art. Every year in Basel, a younger generation of galleries showcases outstanding artists who represent the latest developments and trends in contemporary art. It's hard to find a gallery founded after 1996 that belongs to the top 10 today whose start in the international market did not begin at Liste.

Since 2022, Liste has been owned by the Stiftung Liste Basel. As a non-profit organization, the foundation is committed to primarily supporting young, new galleries and aiding the development of a mid-level of galleries. Liste Showtime Online, the digital art fair launched by Liste in 2020, offers galleries from Liste Art Fair Basel the opportunity to extend their presentations into the digital space.

Liste Expedition Online was launched in December 2021 as a non-commercial re- search forum. The platform features a continuously growing artist index with the world's most important new positions in contemporary art as well as special pro- jects carried out in collaboration with artists and magazines. Liste Expedition is permanently available throughout the year.
