Media Release, Basel, 11 March 2020

## Galleries 2020 Liste Art Fair Basel, 15 – 21 June 2020

This year Liste Art Fair Basel celebrates its 25th anniversary as a fair for new discoveries in contemporary art. The first edition took place in 1996 with 37 international galleries and since then Liste has established itself as a place for showcasing the latest developments and trends in contemporary art. Every year it reenvision the present by bringing together the world's most outstanding galleries of a younger generation. The focus is on art that tries to not only understand the present but also create it.

Under this premise, for this year's edition of the fair, the Liste Committee selected **77 galleries from 37 countries** that will present **116 artists from 40 countries** to international art professionals and lovers. Enabling galleries from beyond major art metropolises to participate in Liste is equally as important as enabling galleries to show for the first time. Please find the complete list of galleries participating in Liste 2020 on the last page of the media release.

### New at Liste

Liste aims to bring young galleries that stand out for the quality of their programmes and their commitments to their artists to Basel. This year, **19 galleries** are presenting at Liste for the first time; for two galleries – Shore and Sundry – their presence at Liste marks their first ever participation at a fair.

#### Friends of Liste

Founded in 2017, Friends of Liste supports galleries that strengthen the idea of Liste as a place of discovery by presenting exceptionally committed projects and that often face a financial risk in doing so. Thanks to the steadily growing number of members, **13 galleries** are receiving a stand price reduction of CHF 2,000 this year. The Friends of Liste Board, together with the Liste Committee, selected the following galleries for their outstanding artists and stand presentations: Agustina Ferreyra with [Zadie Xa](#), Exo Exo with [Julie Villard & Simon Bross](#), Gianni Manhattan with [Barbara Kapusta](#), Good Weather with [Inga Danysz](#), LC Queisser with [Won Cha](#), Osnova with [Kirill Savchenkov](#), Polansky with [Milena Dopitová](#), Sophie Tappeiner with [Jala Wahid](#), Sundy with [Kate Mackeson and Henrik Potter](#), Sweetwater with [Christopher Aque](#), Tabula Rasa with [Ma Haijiao](#), Veda with [Damon Zucconi](#), and Wschod with [Adam Shiu-Yang Shaw](#).

#### Impact

For the second time, the Eckenstein-Geigy Foundation is awarding Impact, a three-year grant to support one gallery's participation in Liste. Impact is designed specifically for galleries and/or artists who have not yet had the opportunity to network internationally or present their work abroad.

This year, Impact is being awarded to [Kai Matsumiya](#) from New York for the presentation of the artist [Elliott Jamal Robbins](#), whose solo exhibition at Liste will be his first show outside his home country. In 2019, [Lodos](#) from Mexico City received the Impact grant, as the gallery's participation in Liste marked the first time it had presented its programme abroad. Lodos will continue to be supported this year.

#### Notes to Editors

We are regularly observing and re-evaluating the developments of the coronavirus, particularly in regard to Liste Art Fair Basel's scheduled dates from 15 – 21 June. Considering the fact that the fair is still three months away and in hoping that the situation will have stabilized by then, we are continuing to plan Liste for June. However, the health of our exhibitors, guests and team is of utmost importance and we will follow all official recommendations. Should this result in changes, we will inform you immediately.

#### About Liste Art Fair Basel

Liste Art Fair Basel was founded in 1996 by Zurich gallerists Eva Presenhuber and Peter Kilchmann together with the curator Peter Bläuer. The first edition featured 37 galleries from 12 countries, including Air de Paris, Paris; Massimo di Carlo, Milan; Peter Kilchmann, Zurich; Urs Meile, Lucerne; neugerriemschneider, Berlin; Maureen Paley, London; Martin Janda, Vienna; Eva Presenhuber, Zurich; Barbara Weiss, Berlin; and David Zwirner, New York.

Since 2019, Liste has been under the direction of Joanna Kamm, who works to maintain the fair's central concern: opening the door to the international art world for a new generation of gallerists and artists.

Liste's unique location is a former brewery, which has housed the Werkraum Warteck pp since the 1990s. From Liste's inaugural edition through today, Warteck pp's tenants have vacated their studios, offices, and workshops and handed them over to our participating galleries for the week of the fair.

#### Main Partner

Since 1997, E. Gutzwiller & Cie, Banquiers, Basel has been the main partner of Liste Art Fair Basel. With their generous commitment, they enable favourable conditions for the galleries.
